Subject: Data Request for the State of Louisiana Broadband Mapping Program

Recently you received a letter from the State of Louisiana informing you of their participation in the National Telecommunications and Information Administration's (NTIA) State Broadband Data and Development Program (BDDP). In that letter they also introduced Michael Baker Jr., Inc. (Baker) as their Contractor acting on behalf of the State to collect the NTIA specified data for broadband service availability.

Please consider this letter the official request for your broadband mapping data as defined in the attached documents.

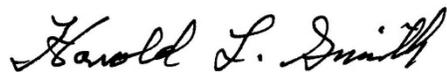

A Non-Disclosure Agreement (NDA) is attached for your review. An electronic copy for execution can be downloaded from <http://www.broadband.la.gov>.

Also attached, you will find the Louisiana Broadband Mapping Data Submission Guidelines. These Guidelines are intended to assist you in providing the data being requested by NTIA and the State. Please provide the data requested in accordance with these guidelines within 10 business days. Baker has developed digital data submission templates that can be downloaded from <http://www.broadband.la.gov>. In Section 2, there is a list of data submission options as well an explanation of the different data types and formats that are acceptable and the data submission templates. Baker staff is available to assist you with your data submission.

Please direct any questions or comments regarding this request for data to Baker's Project Manager, Harold Smith. He can be contacted by phone at 225-923-8387 or hsmith@mbakercorp.com.

Sincerely,

Michael Baker Jr., Inc.

Harold L. Smith
Project Manager
